WORK EXPERIENCE

Freelance Website Developer

2023 - 2024

- I developed custom WordPress websites, integrating plugins and themes to enhance functionality and tailor the websites to client needs. I optimized websites for speed, security, and SEO to improve performance and search engine ranking. I also managed website hosting, ensuring seamless deployment and maintenance, and performed regular updates.

Le Grand Poutinefest Manager

2023 - 2024

- As a Manager at Le Grand Poutinefest, I oversaw event operations, ensuring smooth execution and customer satisfaction. I managed a team, coordinated tasks, and maintained effective communication. I handled inventory, ensured supplies were well-stocked, and worked with vendors for timely deliveries. Additionally, I addressed customer inquiries and resolved any issues during the event to maintain a positive experience.

VPS

2022 - 2023

Warehouse Stocker

- As a Warehouse Stocker, I received, unloaded, and organized inventory shipments, tracked stock levels, and ensured accurate record-keeping. I assisted with order preparation and packaging while maintaining a clean and efficient warehouse environment. Additionally, I collaborated with the team to meet daily productivity goals.
